

**General Manager's Message**  
**Richard M. Brucki, KCC General Manager**

There certainly is a "buzz" in the air around the Club these days. Despite having less Members and unusually challenging winter weather, a la carte dining for the first two months of 2010 is 12% ahead of 2009. But it isn't just the numbers, it's a very positive aura that you can feel whether you're having lunch on a Tuesday, enjoying dinner on a Thursday or having a drink during trivia on Friday. Whatever it is, thank **YOU** for being the source of it. Let's keep this momentum going throughout the year and beyond.

Please take time to review the items noted below as a supplement to our March/April newsletter. And please keep your feedback and input coming. Several actions have been taken recently because some number of you took the time to share your thoughts. We appreciate your comments as that allows all of us to stay....at your service!

**ACC Basketball Tournament Specials**

Join us in the Bar March 11-14 while your favorite (or most hated) team plays. We will have food and beer specials every day during the ACC Tournament. And there just might be some games of chance for anyone interested.

**2010 Member Usage Contest**

Our 2010 Member Usage Contest is off and running and through February 27, we have a 12 way tie. The 2009 winners sure enjoyed their grand prize. As a reminder, here's how it works – for every special event you participate in, you get a point. The Member with the most points at year end receive dinner for 6 in their home catered by the KCC staff. It pays to participate.
